Registration, Transfer, Refund, and Cancellation Terms

Touchstone makes every effort to run each workshop; however, the organization reserves the right to cancel a workshop for any reason (primarily low enrollment). Touchstone will make cancellation notifications at least 14 days prior to the start date of the workshop. Notification for workshops that must be cancelled due to unforeseen (emergency) circumstances will happen as soon as possible. If Touchstone cancels a workshop, participants will be able to 1) transfer to another workshop without incurring a transfer fee, 2) receive a full refund, or 3) donate their workshop tuition to Touchstone's scholarship program (Touchstone is a charitable 501(c)(3) nonprofit organization, EIN 23-7258132).

Processing Fee: This required fee helps cover the operational costs associated with processing registration materials. This \$25 fee is applied to registrations for each/all workshops except for Date Nights, Community Wood Firings, and youth workshops.

Returned Check Fee: The returned check fee for insufficient funds is \$25. Touchstone incurs a fee from the bank which is then passed on to the participant. The fee will be added to your invoice, and payment along with the original deposit/balance must be paid to be guaranteed your space in the workshop.

Balances: Balances are due in full no later than six (6) weeks prior to the start date of the workshop. If you have not cancelled your workshop per the cancellation policy and we are unable to collect your balance, your seat will not be guaranteed, nor will you receive a refund for monies paid.

Transfers: Contact the office as soon as possible if you wish to transfer to a different workshop. A transfer fee of \$20 (per transfer) will be added to your final invoice. Transfers must be processed more than 30 days prior to the start date of the workshop from which you wish to transfer.

Cancellations by a Participant & Refunds: The Cancellation Policy* has been modified over the past few years due to the COVID-19 pandemic. Our current policy is as follows: Participants who cancel more than six (6) weeks prior to the start date of their workshop will receive all monies less the nonrefundable processing fee and reduced cancellation fee (15% of total tuition price). Participants who cancel between three and six (3-6) weeks prior to the start date of their workshop will receive a 50% refund of all monies paid to Touchstone. This includes tuition, housing, meals, materials, and other fees. Participants who cancel less than three (3) weeks prior to the start date of their workshop will not receive a refund for any monies paid. Stay home if you

are sick! If you need to cancel less than three (3) weeks prior to your workshop because of an unexpected illness (COVID-19), you can receive credit for tuition, housing, and meals (materials fees are not included in the credit) to be used by the end of the 2023 season. Date Nights, Community Wood Firings, and youth workshops are nonrefundable, unless cancelled by Touchstone.

**The 2023 Cancellation Policy may change as WHO/CDC/local regulations and guidelines change.*

Travel or Other Arrangements: Touchstone is not responsible for any nonrefundable deposits, fees, or purchases paid towards materials, travel and/or accommodations in the event of any cancellation. This includes airplane/bus/train/other tickets, automobile rentals, baggage fees, hotel reservations, and/or contracts with third party or rental services such as Airbnb, VRBO, etc. as well as any other related fees/expenses in relation to workshops, regardless of whether a workshop is held or cancelled.

Materials and Studio Fees

Materials and studio fees are charged to participants based on studio usage and materials that Touchstone is providing at the request of the instructor. Instructors may require that you bring certain materials and tools with you, in which case a list will be provided. The final cost of these fees is typically posted two weeks prior to the workshop and are to be paid in full before check-in. Touchstone is not responsible for any nonrefundable purchases of materials made for workshops, regardless of whether a workshop is held or cancelled. Touchstone posts all information regarding materials to help you prepare for your workshop(s); these may be found as a downloadable PDF under each respective workshop listing at touchstonecrafts.org.

Safety Guidelines and Procedures

While Touchstone encourages participants and instructors to maximize their fun and camaraderie while on our beautiful campus, we have several safety guidelines that must be understood and respected by all participants in order to maintain a secure and nurturing learning environment.

By enrolling in a workshop, participants assume the risk of working with equipment and materials provided by Touchstone. The faculty, staff and organization are not responsible for injuries incurred because of improper or irresponsible use of tools, equipment, and/or facilities.

The use of alcohol in studio settings prohibited. No one is permitted to work within a studio at any time after consuming alcohol – this includes drinking before or during a workshop, including drinking at meal services and attempting to work in the studio thereafter. Responsible consumption of alcohol by participants of legal drinking age is permitted on Touchstone's campus, however due to the increased potential for harm to all persons on campus, tools/equipment, facilities and property, we respectfully request that participants keep alcohol out of the studios at all times.

The use and/or possession of illegal drugs will not be tolerated. Violation of this policy will force Touchstone to terminate the participant agreement immediately without a refund and ask the individual(s) in question to vacate the campus immediately and permanently.

In the interest of safety, health, and the preservation of our campus, smoking is not permitted in any building. No one is permitted to burn candles, incense, or other flammables in any building.

Touchstone reserves the right to dismiss immediately and permanently any participant – without refund – for behavior considered unacceptable, including but not limited to the list below. Additionally, law enforcement may be contacted.

- Any behavior which jeopardizes the safety of self or others
- Behavior which violates local, state, and/or federal laws

Emergency Procedures: In the event of any emergency, participants should contact the nearest available staff member. In case of medical emergency or fire, contact 911. Basic first aid kits and fire extinguishers are located throughout campus; please be aware of their locations. In any situation, always get help first and do not put yourself in danger. Emergency procedures, phone numbers, and directions to Uniontown Hospital and MedExpress Urgent Care are in each building. A phone is in the dining hall for 24-hour emergency use.

Medical Conditions and Allergies: Participants and instructors are asked to voluntarily provide a listing of any medical conditions or allergies that staff should be aware of in the event of an emergency. It is Touchstone's policy to contact 911 in the event of a

medical emergency. Touchstone does not supply or administer any form of injectable adrenaline (epinephrine). If you have a known allergy to foods, insect stings/bites, environmental items, and/or other products, we strongly encourage you to bring your own supply of allergy medicines and/or EpiPen for self-injection. Furthermore, our dining hall cannot guarantee accommodations for food allergies. Please consider the risk of participating in a meal plan if you have allergies. If you should have an accident/reaction that requires medical attention, call 911 and/or notify a staff member immediately. The Uniontown Hospital and MedExpress Urgent Care center are both about a 20-minute drive from Touchstone. If you have a nighttime emergency that cannot wait until morning, contact a designated staff member, call 911, and/or check the emergency phone list posted in each building.

Children on Campus

Youth Workshops (Ages 5-13) – Clay for Kids and Kids Summer Camp: Children who are taking a youth workshop at Touchstone must check in between 9:30 a.m. and 9:50 a.m. at the Gallery in Blaney Lodge before going to their studio. Children will be supervised by Touchstone staff/instructor during their regularly scheduled workshop. Parents/guardians are solely responsible for the supervision and safety outside of workshop times. Materials for all youth workshops are included in the cost of tuition. Children may get messy and be out on campus during their workshop – dress appropriately! Bring a bagged lunch; meals will not be available at the dining hall for these sessions. Children must be picked up by 2:15 p.m.

Teens in 1-Day Workshops (Ages 14-17): See Daily Workshop Schedules for info on check in/out and class times. Teens will be supervised during regularly scheduled workshops. Teens may only lodge on campus during their session with a parent/guardian who is also lodging on campus. Parents/guardians are solely responsible for the supervision and safety of their child(ren) outside of workshop times.

Teen Week Workshops (Ages 14-17): See Daily Workshop Schedules for info on check in/out and class times. Teens will be supervised during the entirety of this session by instructors, staff, and chaperones. All teens take a turn helping in the kitchen and keeping the campus clean. For more details on Teen Week, visit touchstonecrafts.org/teen-week.

Pets on Campus

Participants/visitors are not permitted to bring pets or support/therapy/companion animals to Touchstone. The only exception is for a registered service animal. Visit www.ada.gov/regs2010/service_animal_qa.html to learn more about service animals.

Communication on Campus

Cell Service & Campus Wi-Fi: Touchstone's campus is in a rural area bordering a state forest, and cell service may be spotty at best; however, we do have Wi-Fi available on campus and the network/login information is provided at check-in. We recommend enabling your Wi-Fi calling so that you may use your phone to text (iMessaging & WhatsApp seem to work best) and make phone calls (Settings -> Phone -> Wi-Fi Calling).

Touchstone Phones: You may have your party contact Touchstone's office (724-329-1370) during regular business hours to try to reach you and/or leave a message. The dining hall phone (724-329-9905) is available for use 24 hours daily but is not monitored by staff around-the-clock. If you are having difficulty connecting to Wi-Fi and need to make a call from Touchstone, we ask that you have your party call you and/or only make your calls on an as-needed basis and keep your calls as brief as possible. If it is necessary to make a long-distance call, please use a calling card or call collect. We appreciate your help in keeping rising utility costs at a minimum.

Messages: Phone and email messages are delivered to participants during regular business hours or are otherwise posted to the message board near the phone in the dining hall. In an event of a message regarding an emergency, Touchstone staff will try to

deliver the message as quickly as possible. Voicemails left during evening hours will be checked the following morning and messages delivered/posted thereafter.

Mail: Packages may be delivered to participants at “Participant Name”, c/o Touchstone Center for Crafts, 1049 Wharton Furnace Road, Farmington, PA 15437. Participants should stop by the office daily if they are expecting mail; USPS deliveries are usually made between 10 a.m. and 1 p.m. and UPS/FedEx deliveries are usually made between 1 p.m. and 3 p.m. Participants may arrange for pick-up of their ready-to-ship mail by UPS/FedEx at the office. The closest U.S. Post Office is about 4.5 miles from Touchstone and the closest UPS drop center is Staples in Uniontown, about 14 miles distance.

Lodging at Touchstone

Lodging on campus is the most convenient option for our participants. Residing onsite enables you to enjoy the camaraderie and artistic cross-pollination that occurs when participants live, create, and break bread on campus. To keep lodging costs available to at low rates, **Touchstone does not supply linens, pillows, towels, washcloths, toiletries, etc.** Please make sure to see the suggested packing list below to ensure you are prepared for your stay. Lodging space is limited, so make reservations early to avoid disappointment. Linen packages are available for a \$50 rental charge that you may select during your workshop registration.

Lodging assignments are made on a first-come, first-served basis. We do our best to match participants with the type of housing they request, but this is not always possible. Our staff will contact you should your preferred lodging of choice be unavailable. We cannot honor requests for specific rooms or buildings. Guests may not change rooms/cabins without approval from management.

For your protection and the safety of others, do not smoke or burn candles/incense/other flammables in any building. Fees will be imposed for any type of damage to facilities and/or furniture.

The water at Touchstone may at times be discolored due to high iron content, however it is safe. Our water is tested for contaminants on a monthly basis as required by the Pennsylvania Department of Environmental protection.

While at Touchstone, you may be sharing spaces you are accustomed to having to yourself. Keep in mind some people may be sleeping at irregular hours or may simply have trouble sleeping with too much noise. Please be considerate and help us preserve our community; keep restrooms and other common areas tidy after using them, wipe up your spills, place garbage in trash receptacles, return dirty dishes to the dining hall dish pit, and leave areas as you found them upon check-in. Ask a staff member if you need assistance. We appreciate your help in keeping our campus clean!
