

### **A Closer Look at Nature**

Instructor: Robin Menard

Workshop Dates: August 1-5, 2022

#### **WORKSHOP STUDENTS should bring the following materials for the workshop**

\*It is recommended that you wait to hear if the workshop is running before you purchase materials. Touchstone will let you know if a workshop is running no later than 2 weeks before the start of the class. Regardless of the outcome of the class, running or not, Touchstone is not responsible for the reimbursement of any materials bought for a workshop.

**One graphite pencil HB** (any brand)

**Kneaded eraser**

**Small sketchbook or journal for quick studies and notetaking**

**Drawing, Masonite, Plexiglass or Office Clip Board** (smooth work surface) at least 9"x12" or larger

**Hand-held magnifying glass**

**Prismacolor Premier Colored Pencils:** The colors below are the anticipated colors that we will use during our two days (think leaf & branch/bark nature-related colors). All can be purchased open stock from Amazon (amazon.com), Blick (store or dickblick.com), Jerry's Artarama (jerrysartarama.com), Artists & Craftsman Supply, Hobby Lobby and Michaels - often on sale. If you have a Prismacolor set that has comparable colors, feel free to bring. Prismacolor brand pencils are wax-based and are used in this class as they allow for great blending and shading effects. Other brands may not achieve the same results.
