

Thoughtful Pottery

Instructor: Linda Christianson

Workshop Dates: June 27-July 1, 2022

WORKSHOP STUDENTS should bring the following materials for the workshop

*It is recommended that you wait to hear if the workshop is running before you purchase materials. Touchstone will let you know if a workshop is running no later than 2 weeks before the start of the class. Regardless of the outcome of the class, running or not, Touchstone is not responsible for the reimbursement of any materials bought for a workshop.

- 1) Any of your favorite tools that you wish to use throughout the workshop
- 2) Favorite cup if you are able to bring it
- 3) 4 images of your work saved as a jpeg on a thumb drive
- 4) 2 images of your home or studio or pets or family, saved as a jpeg on a thumb drive
- 5) A small object of awe and wonder: it is something special to you. It fits in your hand and is not a pot. It may be considered a touchstone to you in some way. You have possibly had it for a really long time and can't seem to get rid of it.
- 6) Reusable water bottle
- 7) Work Apron (Optional)
- 8) Sketch book

Suggested Reading for Workshop Students

- 1) A Potter's Workbook by Clary Illian
